

# THE BLUFF

Poplar Bluff Senior High School Poplar Bluff, Missouri Volume 52

It took only a moment to unlock the door - only a moment for the year to begin ...

To create school spirit To lose To ache To Win ...

To open the book 
To try to understand 
It took only a moment to achieve

To smile To care To help It took only a moment to be a friend

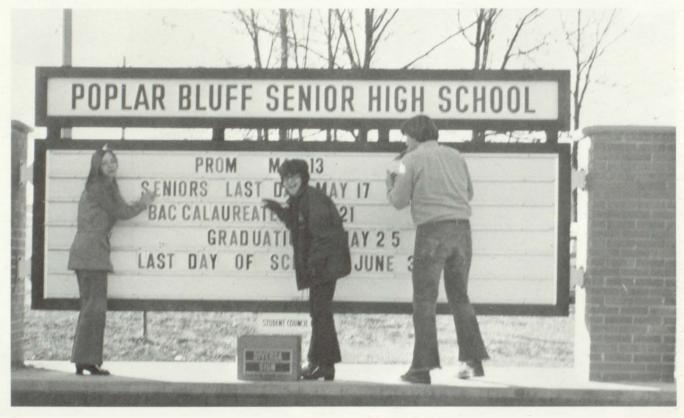

To work To give To grow It took only a moment to live.

It took only a moment to realize the end ... of a year ... of a life ... as a student at P.B.H.S.

One of the biggest assets any school can have is spirit. In this our school is not lacking. This is where cheerleaders come in. We have spirit because the cheerleaders possess it and we believe in them. They have given us something we could never rid ourselves of even if we tried or wanted to. They have made us proud that we are here right now, where we are, living. Sometimes we win; sometimes we don't win - but we're still glad we're on the team that we are. For this we give a humble and heartfelt thanks.

## TO MYSELF

So I said to myself.
Self?!
Be brave.
Have your pot and then
The raid:
Soon you'll be six feet
Under and in your grave.

So I said to myself.
Self?!
What is life?
I'm having fun and
Getting my slice.
Who cares of past and present.
The time is now to make
It pleasant.

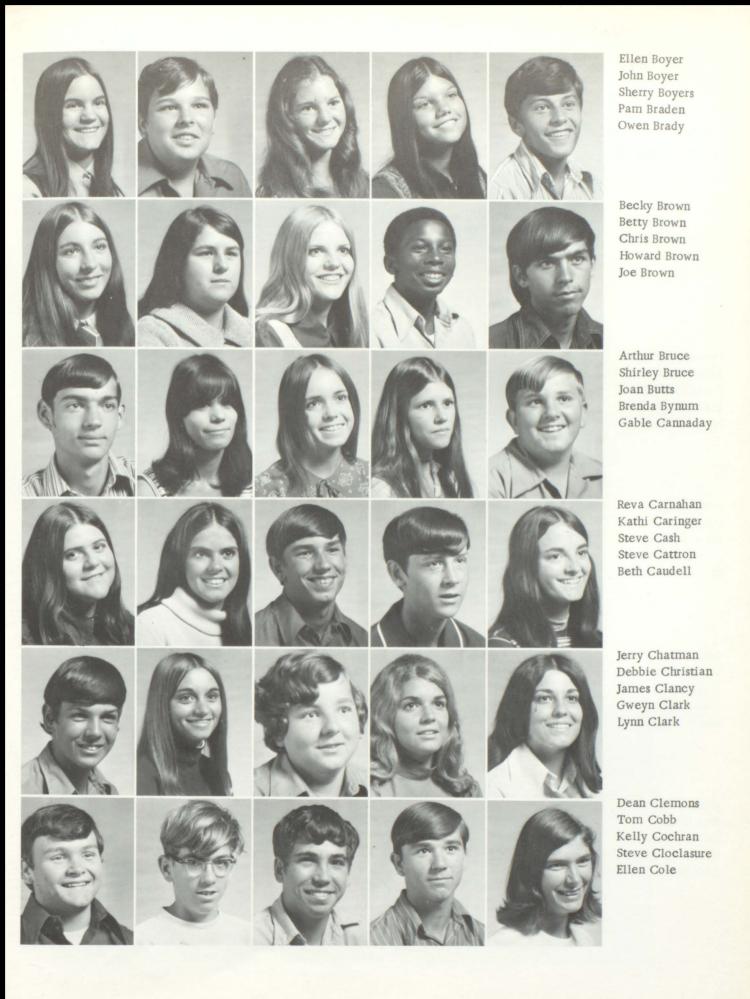

So I said to myself.
Self?!
You're out of your mind
And way behind.
No time for that mountain

To climb.
But that's not the end.

So I said to myself.
Self?!
I hate tomorrow.
I hate today.
But I'll have to go
Through it anyway.
We laugh,
We cry,
We even die,
But why, oh why, must I?

So I said to myself.
Self?!
Be brave,
You can live through
Another day.
